RIVER RUSH RAFTING

This activity is sure to give your team the ultimate Wero Challenge and will encourage you to use team work to navigate your way downstream, led by our qualified raft guides. The activity ends with a big splash by rafting over the worlds highest man-made waterfall, the 4.5m Pump Waterfall!

NEW! BUILD YOUR OWN RAFT

Picture this: You're stranded on a volcanic island with your team and it's about to erupt. All you have are drums, ropes and some timber. Will you be able to build a raft in time to escape the fiery inferno? Build Your Own Raft will test your group's ability to think on your feet, work together and assemble a raft within 60 minutes!
