

# BYO

BUILD YOUR OWN

# RAFT

Picture this: You're stranded on a volcanic island with your team and it's about to erupt. All you have are drums, ropes and some timber. Will you be able to build a raft in time to escape the fiery inferno?

Vector Wero's *Build Your Own Raft* is the perfect half day team building and fun group activity that will test your group's ability to think on their feet, work together and assemble a raft within 60 minutes! Your team will then put your vessel into the lake and will not only get to test it's seaworthy-ness but also ride and race it into the water to win the competition.

Each raft can be built by a team of 4-8 people.

### **Build Your Own Raft    \$230 inc GST / raft**

All materials will be provided and an instructor to facilitate the challenge, as well as a qualified guide to assist each team with technical skills such as, knots, hitches and lashings etc. We will breakdown your raft at the end, meaning you can enjoy a hot shower and be debriefing in our lakeside bar in no time!

We can also work with you to tailor a package to your own specific needs and requirements.

**For more information or to book, email our team at [weroreception@pacific.org.nz](mailto:weroreception@pacific.org.nz).**
